

Sasha R.C.'s New Dark Romance Book "At My Worst" Is a Steamy Story About a Woman Who Escapes Abusive Trauma Only to Start a Taboo Physical Love Affair with a Bad Boy

Sasha R.C., who is quickly becoming recognized as The Queen of Dark Romance, has released her new erotic romance book, "At My Worst" (Cloverly Publishing), a story of a woman at her lowest finding passion with a man trying to love her at her worst.

A vow to love someone for the rest of one's life should be a dream come true, right? Bianca spent ten years of her life with a man that she thought loved her. After suffering emotional, psychological, and mental abuse at the hands of husband, she leaves in the middle of the night to start over with a clean slate.

Bianca's healing becomes more complicated when she meets Alexander Ortiz. He finds Bianca at her worst, which scares her. What is supposed to be just a physical fling becomes much more than that.

"This is a Dark Twisted Healing Romance. This book dives right in from the start. Some things within this book might trigger and be uncomfortable for some readers. Please remember that this book does not follow the rules. This book is heavy on smut, which happens very early in these pages," said Sasha R.C.
